The meetings of the Consultative Board on the World Cocoa Economy, the International Cocoa Council, the Executive Committee and the Working Group for a future International Cocoa Agreement will take place from 22-26 March 2010 at the Hilton Yaoundé Hotel, Boulevard du 20 Mai, Yaoundé, Cameroon, Tel: +237 22 23 36 46, Fax: +237 22 22 32 10, http://www.hilton.co.uk/yaounde

HOTELS

The Government of the Republic of Cameroon has kindly arranged preferential rates for delegates attending the ICCO meetings at the Hilton Yaoundé Hotel and at other nearby hotels. ***The attention of delegates is drawn to the fact that, since publication of the earlier ED(MEM) 913, the Secretariat has received notification that the room rates quoted for the Hilton Yaoundé Hotel and the Djeuga Palace Hotel have been revised. The revised rates are provided in the amended Annex I attached. The Government has also kindly negotiated preferential rates at some hotels in Douala for delegates who may require them for transit purposes. Details are also provided in Annex I attached.** Delegates are kindly requested to make their own hotel reservations directly with the Hotels, quoting the special rates for "ONCC/ICCO" meetings provided by the Office National du Café et du Cacao (ONCC). Delegates are kindly requested to include details of their chosen hotel on the attached registration form so that the necessary transfer arrangements can be put in place. Hotel transfers will be arranged on a daily basis to the Conference Venue for those delegates not staying at the Hilton Yaoundé Hotel.

***The text highlighted in blue is new.**

VISAS

A list of the various Cameroon missions abroad is attached as **Annex II**. Delegates are kindly requested to check with the appropriate authorities regarding their visa requirements. For further assistance, please contact the ICCO Secretariat.

VACCINATIONS

Delegates are advised that a Yellow Fever Vaccination Certificate must be presented on arrival in Cameroon, and that immunisation for Cholera is also required. Vaccinations for Typhoid and Meningitis are recommended together with malaria protection. Delegates are advised to check with the appropriate medical authorities concerning immunizations in general.

Brussels Airlines operates a direct service from Brussels to Yaoundé twice a week on Tuesday and Friday. Swiss operates a service from Zurich to Yaoundé via Douala three days a week (Tuesday, Friday and Sunday). For delegates arriving into Douala Airport, the Government have kindly offered to provide assistance with coach transfers to Yaoundé (travel time approximately four hours). **Delegates should note that, if they arrive into Douala after 13.00 hrs on any day, there will not be a transfer service to Yaoundé until the following morning. Delegates planning to arrive into Douala on Sunday should therefore note that they would not be transported to Yaoundé until Monday morning**. A Welcome Committee is being kindly provided by the Government to assist delegates at the Yaoundé Nsimalen and Douala Airports.

On **Saturday, 27 March**, the Government has kindly offered to organize an all-day field trip for all delegates and their partners to the Ebogo tourist site, a fabulous eco-tourist destination located along the majestic River Nyong and situated approximately 50 km. from Yaoundé. The site is remarkable for the large variety of bird species, the tropical forest, and the rich flora and fauna special to the area. The excursion will also include a visit to a small farm in Ekombitie and a medium sized farm in Man Menyie. During the day, delegates and partners will have the opportunity to try some canoeing and a luncheon will be provided. Further details will be provided at the time of the meetings. The brochure for the excursion is attached herewith as Annex III.

Further details of the ICCO reception and other dinners and events to be hosted by the Government and other institutions during the week will be provided closer to the time of the meetings.

In this regard, the "Measures to improve the efficient use of days allocated for ICCO meetings", accepted by the Executive Committee in December 1994, is attached herewith for information.

The attention of Members is drawn to the provision of one team of interpreters throughout the meetings.

It is noted that, in accordance with the Rules of the Consultative Board on the World Cocoa Economy, Members of the International Cocoa Organization may participate as observers in the meetings of the Board.

26 January 2010

MEASURES TO IMPROVE THE EFFICIENT USE OF DAYS ALLOCATED FOR ICCO MEETINGS

1. All meetings will start and finish promptly at the time scheduled for them. Meeting times are:

10.00a.m. to 1.00 p.m in the morning
3.00 p.m. to 6.00 p.m. in the afternoon

It may be agreed that meetings shall start earlier than indicated above.

2. Delegations and Chairmen who, by their absence or their lack of punctuality, cause a meeting to be delayed will be mentioned in the meeting's report.

3. The bell will be rung at the time scheduled for the meeting, and the officers on the rostrum (Chairman, Executive Director and Secretariat members) are expected to be in place so that the Chairman can open the meeting within a few minutes subject to the quorum requirements under Rule 50 of the Administrative Rules. If the Chairman is not present in the meeting room at the start of a meeting, the Vice-Chairman will take the chair and preside over the meeting until its conclusion.

4. The Chairman will from time to time remind participants of the time and urge them to keep their statements as short as possible and to the point. The Chairman reserves the right to interrupt statements which are too long or irrelevant, in accordance with Rule 18 of the Administrative Rules, "Time-limit on speeches". Chairmen's interventions and summaries will also be as brief as possible.

5. At the end of each meeting, the Chairman will announce the starting and finishing times of the next meeting or the programme of meetings for the next day, including the precise time allocated to each meeting.

GROUP MEETINGS

6. Group meetings should be run strictly in the time scheduled for them in order to avoid delaying other meetings and having other delegates waiting around.

7. When a group meeting cannot finish on time, the Chairman will adjourn it and make a progress report to the Executive Committee or the Council as appropriate. If necessary another time will be allocated for the group to reconvene and complete its work.

8. Ten minutes before the scheduled finishing time of a meeting, the Chairman will be prompted by a note from the Secretariat. The Chairman will announce the time to the participants and firmly prepare to bring the meeting to an end at its scheduled time.

9. If a group meeting continues beyond the time allocated to it, the Chairman of the group and the Chief Interpreter will consult with a view to winding up the meeting in a prompt and orderly manner.

The present measures will be printed and distributed at every ICCO meeting.
