

Minister to the modus operandi

David Kpelle and Korothoum Doumb

NGOs and farmers, 11-02-09, Abidj

Of the issues, the NGOs put on the table in Accra are taken into consideration.

We appreciate it very much !

**NGOs are considered as Watchdogs
and we are partners in development**

**We are willing to share our rich
experience and knowledge in realizing
sustainable cocoa sector !**

**We acknowledge the support
RSCG in facilitating our
participation!**

IPAL 48 Years

CO 35 Years

World Cocoa Foundation 8 Years

CE 2 Years

factory

QuickTime™ and a
decompressor
are needed to see this picture.

**years ago we had assisted Nana to
not best known practices on his coc
s, he would not be confronted with
or challenges related to sustainabil
y.**

Plan of Action !

before Trinidad :

involve all stakeholders actively in
the process (WCF, COPAL, ...)

include in the Trinidad program enough
time to define a clear plan of actions
with all stakeholders

**order to reach the demand of
300,000 t of cocoa beans in 201
e should develop concrete
tions for every stakeholder
oup !**

OW !

can!

is Saturday:

**every Chinese and Indian boy wants
give his beloved a chocolate for the
Valentine's day, what will happen?**

Can we meet the demand ??

**taste the future demand of
sustainable cocoa !!**
