**MEASURES TO IMPROVE THE EFFICIENT USE OF DAYS
ALLOCATED FOR ICCO MEETINGS**

1. All meetings will start and finish promptly at the time scheduled for them.
2. Delegations and Chairmen who, by their absence or their lack of punctuality, cause a meeting to be delayed will be mentioned in the meeting's report.
3. The bell will be rung at the time scheduled for the meeting, and the officers on the rostrum (Chairman, Executive Director and Secretariat members) are expected to be in place so that the Chairman can open the meeting within a few minutes subject to the quorum requirements under Rule 8 of the Administrative Rules contained in document AF/2/2/Rev.1. If the Chairman is not present in the meeting room at the start of a meeting, the Vice-Chairman will take the chair and preside over the meeting until its conclusion.
4. The Chairman will from time to time remind participants of the time and urge them to keep their statements as short as possible and to the point. The Chairman reserves the right to interrupt statements which are too long or irrelevant, in accordance with Rule 16 of the Administrative Rules, "Time-limit on speeches". Chairmen's interventions and summaries will also be as brief as possible.
5. At the end of each meeting, the Chairman will announce the starting and finishing times of the next meeting or the programme of meetings for the next day, including the precise time allocated to each meeting.

Group Meetings

6. Group meetings should be run strictly in the time scheduled for them in order to avoid delaying other meetings and having other delegates waiting around.
7. When a group meeting cannot finish on time, the Chairman will adjourn it and make a progress report to the Council, as appropriate. If necessary another time will be allocated for the group to reconvene and complete its work.
8. Ten minutes before the scheduled finishing time of a meeting, the Chairman will be prompted by a note from the Secretariat. The Chairman will announce the time to the participants and firmly prepare to bring the meeting to an end at its scheduled time.
9. If a group meeting continues beyond the time allocated to it, the Chairman of the group and the Chief Interpreter will consult with a view to winding up the meeting in a prompt and orderly manner.

The present measures will be printed and distributed at every ICCO meeting.
