Introduction

The United Nations Cocoa Conference, 2010, was held at the Palais des Nations, Geneva, on 19 April 2010 and from 21 to 25 June 2010. The Parties to the existing Agreement and all States members of UNCTAD, as well as specialized agencies of the United Nations, were invited to participate in the Conference.

The Conference had before it the draft text of a new International Cocoa Agreement, which was the outcome of the discussions held by a Working Group established by the International Cocoa Council.

The Conference was opened on 19 April 2010 by Mr. Kwabena Baah-Duodu, Officer-in-Charge of the Special Unit on Commodities, UNCTAD, and elected H.E. Ambassador Guy-Alain Emmanuel Gauze (Côte d'Ivoire) as President of the Conference and Mr. Max Schnellmann (Switzerland) as Vice-President of the Conference. It also adopted the agenda as contained in document TD/COCOA.10/1. The Conference decided to postpone the remainder of the meeting to 21–25 June 2010 because numerous government representatives from cocoa-producing and consuming countries were unable to attend due to the cancellation of flights into Geneva resulting from the volcanic eruption in Iceland. All other items under the agenda were taken up when the Conference resumed in June. Ms. Lisanne Losier was Secretary to the Conference and Mr. Carlos Moreno acted as Legal Adviser to the Conference.

At its plenary on 21 June 2010, Mr. Petko Draganov, Deputy Secretary-General of UNCTAD, and Mr. Jan Vingerhoets, Executive Secretary of ICCO, made welcoming statements and provided an historical overview and a summary of the preparation for the successor agreement on Cocoa. The Conference adopted its rules of procedure (TD/COCOA.10/2) and established a Negotiating Committee to consider the articles of the agreement in closed session. It also elected Mr. Hagen Streichert (Germany) as Chair of the Negotiating Committee and H.E. Mrs. Jean Kekedo (Papua New Guinea) as its Vice-Chair. The Conference completed its work on 25 June 2010 when, at its closing plenary, it adopted one resolution (TD/COCOA.10/4) and established the text of the International Cocoa Agreement, 2010.

On 14 December 2010, the Secretary-General of the United Nations, acting in his capacity as depositary, issued a depositary notification (C.N.810.2010.TREATIES-2) drawing the attention of all parties to an error in article 62 (3) of the authentic text of the Agreement as well as the certified true copies circulated by depositary notification C.N.497.2010.TREATIES-2 of 30 September 2010, whereby the term “fifth cocoa year” should have read “tenth cocoa year”. In accordance with the established depositary practice, a period of 90 days from the date of the notification was set for any objection to be communicated to the Secretary-General. No objections were received and the proposed correction has been effected to the text of the agreement.

Agenda of the United Nations Cocoa Conference, 2010

1. Opening of the Conference.
2. Adoption of the agenda.
3. Adoption of the rules of procedure.

2. The Council shall not have the power, and shall not be taken to have been authorized by the Members, to incur any obligation outside the scope of this Agreement; in particular, it shall not have the capacity to borrow money. In exercising its capacity to contract, the Council shall incorporate in its contracts the terms of this provision and of article 23 in such a way as to bring them to the notice of the other parties entering into contracts with the Council, but any failure to incorporate such terms shall not invalidate such a contract or render it ultra vires the Council.
3. The Council shall adopt such rules and regulations as are necessary to carry out the provisions of this Agreement and are consistent therewith, including its rules of procedure and those of its committees, and the financial and staff regulations of the Organization. The Council may, in its rules of procedure, provide for a procedure whereby it may, without meeting, decide specific questions.
4. The Council shall keep such records as are required for the performance of its functions under this Agreement, and such other records as it considers appropriate.
5. The Council may set up any working group(s) as appropriate to assist it in carrying out its task.

Article 8

Chairman and Vice-Chairman of the Council

1. The Council shall elect a Chairman and a Vice-Chairman for each cocoa year, who shall not be paid by the Organization.
2. When the Chairman is elected from among the representatives of the exporting Members, then the Vice-Chairman shall be elected from the representatives of the importing Members, and vice versa. These offices shall alternate each cocoa year between the two categories.
3. In the temporary absence of both the Chairman and the Vice-Chairman or the permanent absence of one or both of them, the Council may elect new officers from among the representatives of the exporting Members or from among the representatives of the importing Members, as appropriate, on a temporary or permanent basis as may be required.
4. Neither the Chairman nor any other officer presiding at meetings of the Council shall vote. A member of their delegation may exercise the voting rights of the Member which he or she represents.

Article 9

Sessions of the Council

1. As a general rule, the Council shall hold one regular session in each half of the cocoa year.
2. The Council shall meet in special session whenever it so decides or at the request of:
 - (a) Any five Members;
 - (b) At least two Members having at least 200 votes each;
 - (c) The Executive Director, for the purposes of articles 22 and 60.
3. Notice of sessions shall be given at least 30 calendar days in advance, except in case of emergency, where notice shall be at least 15 days.
4. Sessions shall be held at the headquarters of the Organization unless the Council decides otherwise. If, on the invitation of any Member, the Council decides to meet elsewhere than at the headquarters, that Member shall pay the additional costs involved, compared with the expenditures normally borne by the Secretariat.
5. The Council can meet in virtual or hybrid sessions whenever it so decides or at the request of at least two Members having at least 200 votes each.

Article 10

Votes

1. The exporting Members shall together hold 1,000 votes and the importing Members shall together hold 1,000 votes, distributed within each category of Members – that is, exporting and importing Members, respectively – in accordance with the following paragraphs of this article.
2. For each cocoa year, the votes of exporting Members shall be distributed as follows: each exporting Member shall have five basic votes. The remaining votes shall be divided among all the exporting Members in proportion to the average volume of their respective exports of cocoa in the preceding three cocoa years for which data have been published by the Organization in its latest issue of the *Quarterly Bulletin of Cocoa Statistics*. For this purpose, exports shall be calculated as net exports of cocoa beans plus net exports of cocoa products, converted to beans equivalent using the conversion factors as specified in article 34.
3. For each cocoa year, the votes of importing Members shall be distributed among all importing Members in proportion to the average volume of their respective imports of cocoa in the preceding three cocoa years for which data have been published by the Organization in its latest issue of the *Quarterly Bulletin of Cocoa Statistics*. For this purpose, imports shall be calculated as net imports of cocoa beans plus gross imports of cocoa products, converted to beans equivalent using the conversion factors as specified in article 34. No Member country shall have less than five votes. Hence voting rights of Member countries with above the minimum number of votes shall be redistributed among Members with below the minimum number of votes.
4. If, for any reason, difficulties should arise in the determination or the updating of the statistical basis for the calculation of votes in accordance with the provisions of paragraphs 2 and 3 of this article, the Council may decide on a different statistical basis for the calculation of votes.
5. No Member except those mentioned in paragraphs 4 and 5 of article 4 shall have more than 400 votes. Any votes above this figure arising from the calculations in paragraphs 2, 3 and 4 of this article shall be redistributed among the other Members on the basis of those paragraphs.
6. When the membership in the Organization changes or when the voting rights of a Member are suspended or restored under any provision of this Agreement, the Council shall provide for the redistribution of votes in accordance with this article. The European Union or any intergovernmental

Organization as defined in article 4 shall hold votes as a single Member according to the procedure set out in paragraphs 2 or 3 of this article.

7. There shall be no fractional votes.

Article 11

Voting procedure of the Council

1. Each Member shall be entitled to cast the number of votes it holds and no Member shall be entitled to divide its votes. A Member may, however, cast differently from such votes any votes which it is authorized to cast under paragraph 2 of this article.
2. By written notification to the Chairman of the Council, any exporting Member may authorize any other exporting Member, and any importing Member may authorize any other importing Member, to represent its interests and to cast its votes at any meeting of the Council. In this case the limitation provided for in paragraph 5 of article 10 shall not apply.
3. A Member authorized by another Member to cast the votes held by the authorizing Member under article 10 shall cast such votes in accordance with the instructions of the authorizing Member.

Article 12

Decisions of the Council

1. The Council shall endeavour to take all decisions and to make all recommendations by consensus. If consensus cannot be reached, the Council shall take decisions and make recommendations by a special vote, according to the following procedures:
 - (a) If the majority required by the special vote is not obtained because of the negative vote of more than three exporting or more than three importing Members, the proposal shall be considered as rejected;
 - (b) If the majority required by the special vote is not obtained because of the negative vote of three or less exporting or three or less importing Members, the proposal shall be put to a vote again within 48 hours; and
 - (c) If the majority required by the special vote is again not obtained, the proposal shall be considered as rejected.
2. In arriving at the number of votes necessary for any of the decisions or recommendations of the Council, votes of Members abstaining shall not be taken into consideration.
3. Members are committed to accept as binding all decisions of the Council under the provisions of this Agreement.

Article 13

Cooperation with other organizations

1. The Council shall make whatever arrangements are appropriate for consultation or cooperation with the United Nations and its organs, in particular the United Nations Conference on Trade and Development, and with the Food and Agriculture Organization of the United Nations and such other specialized agencies of the United Nations, the World Trade Organization and intergovernmental organizations as may be appropriate.
2. The Council, bearing in mind the particular role of the United Nations Conference on Trade and Development in international commodity trade, shall, as appropriate, keep that organization informed of its activities and programmes of work.
3. The Council or the Secretariat may also make whatever arrangements are appropriate for maintaining effective contact with national farmer organizations through national sector management structures, as well as with traders and manufacturers.

4. The Council shall seek to involve the international financial agencies and other parties with an interest in the world cocoa economy in its work on cocoa production and consumption policy.
5. The Council may seek to cooperate with other relevant experts in cocoa matters.
6. Where appropriate, the Executive Director may, on behalf of the Organization, enter into a memorandum of understanding on matters of collaboration with other organizations, with the prior approval of the Council.

Article 14

Invitation and admission of observers

1. The Council may invite any non-Member State to attend any of its meetings as an observer.
2. The Council may also invite any of the organizations referred to in article 13 to attend any of its meetings as an observer.
3. The Council may also invite non-governmental organizations having relevant expertise in aspects of the cocoa sector, as observers.
4. For each of its sessions, the Council shall decide on the attendance of observers, including, on an ad hoc basis, non-governmental organizations having relevant expertise in aspects of the cocoa sector, in conformity with the conditions set out in the administrative rules of the Organization.

Article 15

Quorum

1. The quorum for the opening meeting of any session of the Council shall be constituted by the presence of at least five exporting Members and a majority of importing Members, provided that such Members together hold in each category at least two thirds of the total votes of the Members in that category.
2. Final provisions

Article 53 Depositary

The Secretary-General of the United Nations is hereby designated as the Depositary of this Agreement.

Article 54 Signature

This Agreement shall be open for signature at United Nations Headquarters from 1 October 2010 until and including 30 September 2012 by parties to the International Cocoa Agreement, 2001, and Governments invited to the United Nations Cocoa Conference, 2010. The Council under the International Cocoa Agreement, 2001, or the Council under this Agreement may, however, extend once the period of signature of this Agreement. The Council shall immediately notify the Depositary of such extension.

Article 55 Ratification, acceptance, approval

1. This Agreement shall be subject to ratification, acceptance or approval by the signatory Governments in accordance with their respective constitutional procedures. Instruments of ratification, acceptance or approval shall be deposited with the Depositary.
2. Each Contracting Party shall notify the Secretary-General of the United Nations whether it is an exporting Member or an importing Member at the time of deposit of its instrument of ratification, acceptance or approval or as soon as possible thereafter.

Article 56 Accession

1. This Agreement shall be open to accession by the Government of any State entitled to sign it.
2. The Council shall determine under which of the annexes to this Agreement the acceding State is to be deemed to be listed, if such State is not listed in any of these annexes.
3. Accession shall be effected by deposit of an instrument of accession with the Depositary.

Article 57 Notification of provisional application

1. A signatory Government which intends to ratify, accept or approve this Agreement or a Government which intends to accede to the Agreement, but which has not yet been able to deposit its instrument, may at any time notify the Depositary that, in accordance with its constitutional procedures and/or its domestic laws and regulations, it will apply this Agreement provisionally either when it enters into force in accordance with article 58 or, if it is already in force, at a specified date. Each Government giving such notification shall inform the Secretary-General of the United Nations whether it is an exporting Member or an importing Member at the time of giving such notification or as soon as possible thereafter.

2. A Government which has notified under paragraph 1 of this article that it will apply this Agreement either when it enters into force or at a specified date shall, from that time, be a provisional Member. It shall remain a provisional Member until the date of deposit of its instrument of ratification, acceptance, approval or accession.

Article 58

Entry into force

1. This Agreement shall enter into force definitively on 1 October 2012, or any time thereafter, if by such date Governments representing at least five exporting countries accounting for at least 80 per cent of the total exports of countries listed in annex A and Governments representing importing countries having at least 60 per cent of total imports as set out in annex B have deposited their instruments of ratification, acceptance, approval or accession with the Depositary. It shall also enter into force definitively once it has entered into force provisionally and these percentage requirements are satisfied by the deposit of instruments of ratification, acceptance, approval or accession.
2. This Agreement shall enter into force provisionally on 1 January 2011 if by such date Governments representing at least five exporting countries accounting for at least 80 per cent of the total exports of countries listed in annex A and Governments representing importing countries having at least 60 per cent of total imports as set out in annex B have deposited their instruments of ratification, acceptance, approval or accession, or have notified the Depositary that they will apply this Agreement provisionally when it enters into force. Such Governments shall be provisional Members.
3. If the requirements for entry into force under paragraph 1 or paragraph 2 of this article have not been met by 1 September 2011, the Secretary-General of the United Nations Conference on Trade and Development shall, at the earliest time practicable, convene a meeting of those Governments which have deposited instruments of ratification, acceptance, approval or accession, or have notified the Depositary that they will apply this Agreement provisionally. These Governments may decide whether to put this Agreement into force definitively or provisionally among themselves, in whole or in part, on such date as they may determine or to adopt any other arrangement as they may deem necessary.
4. For a Government on whose behalf an instrument of ratification, acceptance, approval or accession or a notification of provisional application is deposited after the entry into force of this Agreement in accordance with paragraph 1, paragraph 2 or paragraph 3 of this article, the instrument or notification shall take effect on the date of such deposit and, with regard to notification of provisional application, in accordance with the provisions of paragraph 1 of article 57.

Article 59

Reservations

Reservations may not be made with respect to any of the provisions of this Agreement.

Article 60

Withdrawal

1. At any time after the entry into force of this Agreement, any Member may withdraw from this Agreement by giving written notice of withdrawal to the Depositary. The Member shall immediately inform the Council of the action it has taken.
2. Withdrawal shall become effective 90 days after the notice is received by the Depositary from the Member concerned. If, as a consequence of withdrawal, membership in this Agreement falls below the requirements provided for in paragraph 1 of article 58 for its entry into force, the Council shall meet in special session to review the situation and to take appropriate decisions.

Article 61

Exclusion

If the Council finds, under paragraph 3 of article 52, that any Member is in breach of its obligations under this Agreement and decides further that such breach significantly impairs the operation of this Agreement, it may exclude such Member from the Organization. Ninety days after the date of the Council's decision, that Member shall cease to be a member of the Organization. The Council shall immediately notify the concerned Member and the Depositary of any such exclusion.

Article 62

Settlement of accounts with withdrawing or excluded Members

The Council shall determine any settlement of accounts with a withdrawing or excluded Member. The Organization shall retain any amounts already paid by a withdrawing or excluded Member, and such Member shall remain bound to pay any amounts due from it to the Organization at the time the withdrawal or the exclusion becomes effective, except that, in the case of a Contracting Party which is unable to accept an amendment and consequently ceases to participate in this Agreement under the provisions of paragraph 2 of article 64, the Council shall determine any settlement of accounts in an equitable manner.

Article 63

Duration and termination

1. This Agreement shall remain in force indefinitely, subject to paragraph 4 of this article.
2. The Council shall review the Agreement every five years and take decisions as appropriate.
3. At the request of one or more Members, the Council may review this Agreement at any time.
4. The Council may at any time decide to terminate this Agreement. Such termination shall take effect on such date as the Council shall decide, provided that the obligations of Members under article 25 shall continue until the financial liabilities relating to the operation of this Agreement have been discharged. The Council shall notify the Depositary of any such decision.
5. Notwithstanding the termination of this Agreement by any means whatsoever, the Council shall remain in being for as long as necessary to carry out the liquidation of the Organization, settlement of its accounts and disposal of its assets. The Council shall have during that period the necessary powers for the conclusion of all administrative and financial matters.

Article 64

Amendments

1. The Council may recommend an amendment of this Agreement to the Contracting Parties. The amendment shall become effective 100 days after the Depositary has received notifications of acceptance from Contracting Parties representing at least 75 per cent of the exporting Members holding at least 85 per cent of the votes of the exporting Members, and from Contracting Parties representing at least 75 per cent of the importing Members holding at least 85 per cent of the votes of the importing Members, or on such later date as the Council may have determined. The Council may fix a time within which Contracting Parties shall notify the Depositary of their acceptance of the amendment, and, if the amendment has not become effective by such time, it shall be considered withdrawn.
2. Any Member on behalf of which notification of acceptance of an amendment has not been made by the date on which such amendment becomes effective shall, as of that date, cease to participate in this Agreement, unless the Council decides to extend the period fixed for acceptance for such

AS AMENDED, 2022

Member to enable it to complete its internal procedures. Such Member shall not be bound by the amendment before it has notified its acceptance thereof.

3. Immediately upon adoption of a recommendation for an amendment the Council shall communicate to the Depositary copies of the text of the amendment. The Council shall provide the Depositary with the information necessary to determine whether the notifications of acceptance received are sufficient to make the amendment effective.

CHAPTER XVIII

Supplementary and transitional provisions

Article 65

Special Reserve Fund

1. A Special Reserve Fund shall be maintained for the sole purpose of meeting the eventual liquidation expenses of the Organization. The Council shall decide how the interest earned on this Fund will be used.
2. The Special Reserve Fund established by the Council under the International Cocoa Agreement, 1993, shall be transferred to this Agreement for the purpose set out under paragraph 1.
3. A non-Member of the International Cocoa Agreements, 1993 and 2001, which becomes a Member of this Agreement shall be required to contribute to the Special Reserve Fund. The contribution of such Member shall be assessed by the Council on the basis of the number of votes to be held by the Member.

Article 66

Other supplementary and transitional provisions

2. All acts by or on behalf of the Organization or any of its organs under the International Cocoa Agreement, 2001, which are in effect on the date of entry into force of this Agreement and the terms of which do not provide for expiry on that date shall remain in effect unless changed under the provisions of this Agreement.
3. DONE at Geneva on 25 June 2010, the texts of this Agreement in the Arabic, Chinese, English, French, Russian and Spanish languages being equally authentic.
